Applicants Certification:

The applicant agrees to abide by the provisions of the City/County codes pertaining to Motion Picture or similar production as represented by the permit and all attachments.

You agree that the content of the production shall not be pornographic.

You agree that the production will comply with all city of Mobile/Mobile County and state of Alabama ordinances for safety and COVID regulations.

All exposed cables within a public right-of-way must use cable covers to prevent tripping hazards. Deployed equipment must not impede or inhibit pedestrian or vehicular traffic without prior authorization in the form of a separate right-of-way closure permit and compliance with city of Mobile codes.

The person signing this application and hold harmless agreement attests and certifies that he/she is authorized on behalf of the production company/entity to submit this application and to make all certifications herein including the hold harmless provisions.

Receipt of this Permit by the Mobile Film Office does not guarantee your production permission to film at a public-private property location. That permission can only be obtained by the authorizing government agency or location owner.

The Mobile Film Office will notify City-County agencies of receipt of this permit and do our best to represent your request. Additional information may be required for approval.

This application along with proof of insurance must be received by the Mobile Film Office at least seven business days prior to filming.
